Parking in San Francisco can be challenging. We suggest car pooling or using public transportation.

**Driving by Car:** If there is no parking on the adjacent streets, there is a public parking garage at the Davies Campus of the California Pacific Medical Center, located at the corner of Castro St. and Duboce Ave. Enter either the driveway at 45 Castro St. or the driveway on the Duboce Ave. side of the hospital complex. You can walk from there to the Harvey Milk Center which is just down the hill.

You can get driving directions at Google: <http://maps.google.com/maps?hl=en&tab=wl>

**Pubic Transportation:**

The J-Church & N-Judah street cars will get you close. The J-Church stop is about a 5 block walk from the last inbound or outbound stop before the tunnel, a block from Market Street. The N-Judah stops very closeby.

The 24 Divisadero bus stops at Duboce Avenue. The Center is one block down the hill.

For precise directions, the Muni has an easy to use trip planner: <http://www.sfmta.com/cms/home/sfmta.php>

**The Gallery Room** can be accessed either via the main entrance on Scott Street or by entering Duboce Park and walking to the Harvey Milk Center, where ground level doors open into the room.

Please feel free to share this information with any friends of Jane whom we may have inadvertently left off our list.
