Our fiber basket is almost exclusively filled with fiber donated by fiber ranchers in Tuolumne and Calaveras Counties. The MLW&S Guild is fortunate to include a versatile range of fiber artists & ranchers. We wish to take this opportunity to thank all of our vendors for their generous donations to this basket. The fiber basket also includes a book, written and donated by Peggy Huth, about a little sheep named Bummer (a true story). The book is a sweet story with heartfelt illustrations that will delight children of all ages.
