

CNCH

Fiber Arts Heritage Supporter

Your Support is Needed

As CNCH members, we already declare our appreciation and dedication to the fiber arts.

Through our community activities and conference participation, we endeavor to interest and educate the public. Only by sharing the knowledge of our craft can we pass this heritage on to future generations. It is our responsibility to ensure the preservation of these traditions and techniques.

Your monetary gift to CNCH will greatly enable us to continue to inspire present and future fiber craftspeople and artists. Your donation can go to the CNCH general fund, our Conference Scholarship fund, towards to budget of a CNCH conference that you specify, or to a monetary awards fund for a specific conference.

CNCH is a tax-exempt, educational organization in accordance with IRS Section 501(c)(3), and will provide each donor with written acknowledgement for tax purposes.

Your gift to CNCH can commemorate a special event, memorialize a friend, or just reflect your love of the fiber arts.
