

Area 4 guilds invite you to **Textile ★ Games**, a spectacular learning experience and retreat in Squaw Valley USA, site of the 1960 Olympic Winter Games. Like past Olympians, this is now your opportunity to be inspired by the majesty of the Sierras where the skies are the bluest and the stars shine the brightest!

The theme - **Textile ★ Games** - was inspired by a magnificent venue. The world class Resort at Squaw Creek is nestled on 195 alpine forested hillside acres and a natural for our small format conference.

Our goal is to inspire and challenge your creativity with 60 unique 3-hour classes. In recognition of their contributions to our crafts, we have invited 21 West Coast "Textile Olympians" to be your instructors. Our focus is not only to honor these individuals, but to give you the opportunity to study with many talented instructors and to learn more about multiple new and exciting techniques, ones that you might not try if classes were 6 or 12 hours long.

In the Spirit of Olympic Competition, we have planned special events and textile games in which you may "compete." The Tailgate Market opens Friday afternoon in the Resort's valet parking area! More fun continues with the Opening Ceremony followed by a Textile Parade, Textile Games, CNCH Scholarship Fundraiser Fiber Basket ticket sales, Door Prizes, 2013 Medal award ceremonies, and our keynote speech presented by Susan Lazear.

The 2013 Committee's "Golden Rules" for these games are: Enjoy the fabulous resort setting and unique educational opportunity, Challenge your creativity, Expand your fiber experiences, and most importantly Have Fun!

**A special thanks to the CNCH 2013 COMMITTEE from your Co-Chairs**
